Chess

We welcome back our students who travelled to the Millfield International Chess Competition last weekend in the midst of 'Storm Callum'. Their performance in the competition was exceptional. The school's record was maintained and personal 'bests' were achieved by Eoin Harrington and Mateo Simonetto with both boys gaining a score of 5.5 out of 7. Diarmuid Connolly delivered a brilliant performance and along with Eoin Harrington won Board prizes. This is the first time any students from Éanna has reached this level in the Competition. A special mention of gratitude to our three top boards whose sterling effort allowed our lower boards to succeed in gaining the necessary points for the team, namely Christian Polimashev, Brian Iheson and Yon Stana.

The School would like to wish Eoin Harrington the very best of luck and success in this weekend's competition. Eoin has been selected to play in the Iona Youth Super Cup, which is only open to invited players (a great honour for Eoin and Coláiste Éanna). Eoin is being supported by Mateo Simonetto who will play in the challengers section of this Competition.

Following on from last year's successful achievement where one of our students (Saul O'Connell) was selected for the Under 14 National Team that played in the Northern Quadrangular in England, the school has put forward two student's (Eoin Harrington and Dylan McBrien) for selection to represent Ireland at under 16 level.

[Mr. Grant]
