Careers' Corner

Rathmines College of Further Education are still accepting applications for many of their courses from Sixth-Year students. Please apply immediately to secure an interview for their 'Interview Day' on Wednesday May 30th.

Any students planning to apply for the S.U.S.I. Grant scheme are again reminded to apply online at www.susi.ie. Please be advised that if the 'eligibility reckoner' states that you are not eligible for the scheme, it is advised that you ring S.U.S.I. to explain your current circumstances, as you may still be able to apply.

All **Sixth Years** are reminded that the C.A.O. 'Change of Mind' facility closes completely for this year's applicants by 5.15 p.m. on July 1st.

We would advise **Sixth Year** students to apply for all levels on the C.A.O. (6,7 & 8) as well as applying separately to Colleges of Further Education.

Students wishing to apply for apprenticeships are advised to apply for a number of apprenticeships. Please see <http://apprentices.ie/view-current-vacancies/>

Please ensure to accept any C.A.O. offer which you hope to take within the deadlines outlined by the C.A.O. in August. There is a very short time-frame to accept offers and it is crucial that students do not miss the deadline. Please see <https://www.cao.ie/?page=timetableevents&bb=importantdates> regarding this.

Iarnród Éireann have applications currently open for Apprenticeships as Fitters, Electricians and Vehicle Painters. Please be advised that the application deadline is 8th June, with training to commence in Autumn. Please see www.irishrail.ie for further details.

Fifth Year students who wish to attend the Higher Options Showcase in September are asked to return the consent form with ten euro, in an envelope, to the Guidance Counsellor's Office by the (extended) deadline of Monday 28th May.

Any **Sixth Year** students who require a Careers' Appointment during the Leaving Certificate examinations or after the receipt of their Leaving Certificate results in August are asked to phone the school office to be advised of available appointment dates and times.

Transition Year News

Congratulations to the various award winners from Transition Year following Tuesday nights Graduation ceremony.

There are too many to mention by name but special mention must go to the 2 students who were voted as Student of the Year, Ciaran O'Reilly and Matthew Treanor. Thanks also to all of those who helped on the evening, especially host Alex Burke, singers Jack Byrne and Brian Nugent, and photographer Padraic Doyle. The highlight of the evening no doubt was our special guest, Mr. Kieran Alexander, who told us his memorable story. His attendance was possible thanks to the heroic efforts of students Adam Murray and Jerry Yong, staff members Dermot Daly and Ciaran Reddington, as well as parent, Colin Nugent.

We would like to wish all TY students a good summer and look forward to seeing them again in the Autumn.

[Mr. Conway]

Chess

Congratulations to the schools' under 14 A team who had a fantastic victory over Rathmines Junior Chess Club last Wednesday night, Dylan Mc Brien (2nd year) maintains his 100% success rate winning every rated match this year followed by Mateo Simonetto (1st year) who now is the highest rated player in school knocking "Dave" off the spot. Chess will be as normal on all the Friday nights throughout June. The Chess Club mentors wish all exam students the very best of luck in their upcoming endeavours and hope to see all players returning to chess after their summer holidays.
