A Cháirde,

Fáilte chuig nuachtlitir na seachtaine seo. Below is an outline of next week's events. We wish a safe trip to members of our Advocacy Group and their teachers, Mr. Flynn and Mr. Stirling, who are participating in an international conference in Brussels next week, as part of Edmund Rice Education Beyond Borders.

On the Sport's Calendar, we wish every success to our First Year Basketball team in the Dublin Semi-Final on Tuesday, and to our U19 Soccer team in their Leinster Semi-Final vs Coláiste Rís (Dundalk) on Thursday. Best wishes also to our students participating in the Student Enterprise Leinster Finals next Friday.

Finally, we continue to keep our sixth and third year students in our thoughts and prayers as they undertake the second week of their mock examinations next week.

Le gach dea-ghuí,
S. Ó Murchú

UNLOCKING YOUR FULL POTENTIAL

Coláiste Éanna are delighted to announce that All Ireland Football Champion Enda McNulty will be speaking to 3rd and Transition Year students on Friday 22nd March from 8.45am. In 2002 he was part of the football team that won the county's first and only All Ireland and he was an All Star that year.

He graduated in Psychology from Queen's University, Belfast and holds a Masters in Sports Science from the University of Ulster.

In his presentations, Enda draws on his personal and professional experience to demonstrate how to harness your strengths so you can live a more purposeful life. He explains how to develop a mind-set that will help young people to recognise and embrace opportunity. He explores resilience and mental toughness and how to develop both. He also provides practical guidance on managing physical wellness through the right mix of exercise and nutrition.

It is a great opportunity for our students to listen to the voice of experience and to set themselves on the road to fulfilling their full potential. When you listen to him talk with such untethered enthusiasm, you understand completely why people like Brian O'Driscoll, Luke Fitzgerald, Annalise Murphy and David Gillick swear by him.

Enda will be giving his time for free but has requested a contribution of €2 per student that will be donated to one of his nominated charities.

[Mr. Mc Manus]

Advocacy Group

As part of the school 's EREBB programme two students from the Peace & Justice / Advocacy group Charles Brady, and Ciarán O Reilly attended a talk "Caring for the Earth "given by Senator Grace O Sullivan in the Dail on Thursday 28th February. This is part of an ongoing campaign being run by the Peace & Justice / Advocacy group in the school on reducing the use of one use plastic in our schools. Following the talk, they were given a tour of the Dail and Seanad and met with other students from ERST who are part of the EREBB Advocacy program

[Mr. Carey]

TY Art Collaboration with BNBS

As part of the Art Module in Transition Year, our TY students had 6 weeks to learn a task under the direction of Ms. Browne. They then taught this task to 5th Class Students from Ballyroan BNS who visited the Coláiste Éanna Art Room before Mid-Term. Our TY students really enjoy the collaboration and interaction with the younger students. Please see the link below for photographs
